**A message from Lady Bryson,  
Chairman of the City Charity Christmas Concert.**

*I would like to welcome you all to this Carol Concert which, over nineteen consecutive years, raised over £100,000 for the Chichester Cathedral Restoration Fund. My committee decided that this year, our efforts should be directed to help local causes and I am delighted to see that so many of you have joined us tonight in support of The Martlets Hospice and The Argus Appeal, two of the City's most worthy charities.*

*I am most grateful for the generous support of the Revd Dr David Wolstenholm, Team Rector of Hove and the PCC of All Saints and of course, the congregation, at a time when All Saints itself has to raise a very significant sum to fund its own restoration programme.*

*We are very pleased to welcome Carol Barnes, well known for her news broadcasts, as Narrator. I must also mention the Lesson Readers, all local people, who have given freely of their time to be with us this evening.*

*The music is being provided by All Saints Choir, the Esterhazy Chamber Choir and the London City Brass Quintet. Their wonderful programme will, I know, provide a traditional and stirring start to the Christmas festivities.*

*I am most grateful to them all - in particular to Michael Maine, Director of Music at All Saints, to Derek Froud who is conducting the Esterhazy Choir and David Goodwin its energetic Manager, whose efficient and enthusiastic help is much valued. Mark Law of the "Famous Five" and to Alex Voice, the Assistant Organist at All Saints.*

*GoldGate Lighting have again produced spectacular lighting effects.*

*Finally I must thank our Sponsor, Derek Hunnisett of Brighton Square for his generous contribution together with our advertisers and those who have made donations. This wonderful concert could not have been staged without their support.*

*My committee and I wish you all a very Happy Christmas and a prosperous New Year.*

*Aveil. Bryson.*
